### SERVICE PLAN

We cover all vehicle makes, models and age!

A Service plan covers a vehicle's major and minor service items and labour.

Giving you cover for the routine upkeep of your vehicle which typically includes the replacement of oils, spark plugs, and various other items required to keep your vehicle in optimum running condition.

### TYRE & RIM

Our roads today are not in perfect condition. Road hazards such as potholes, nails and other unforeseen objects can damage your tyres or rims and leave you with a sudden financial burden.

- Potholes
- Nails
- Broken Glass

### EXCESS WAIVER

An excess waiver covers the specified excess amount payable in the event of a claim on your underlying insurance policy.

If you have an accident or claim, the last thing you want to do is pay an excess. You rely on your insurer to cover your accident and Motorvaps excess waiver to cover your excess.

### CREDIT SHORTFALL

Our credit shortfall products can cover more than the shortfall between vehicle's retail value at the date of total loss and the amount owed to credit providers. Our Return to Value product will also cover the difference between the retail value at date of loss and the original value at date of purchase.
